Roman's Finalized Persona and Personality

Name: Roman

Age: Early to mid-30s

Personality: Roman embodies balance, reliability, and innovation. He is a structured thinker with a calm yet confident demeanor. Grounded and dependable, Roman approaches challenges with a focus on learning, adapting, and improving. He values collaboration, forward-thinking strategies, and staying humble while being assertive. Roman serves as a stabilizing force, complementing Goldie's vivacious and creative energy. He is a modern professional who exudes authority without intimidation, making him approachable yet inspiring.

1. Human Version

- **Prompt Description:**

Create a photorealistic image of Roman, a male brand ambassador in his early to mid-30s. He has a strong yet approachable presence, with sharp facial features and a confident yet calm expression. His attire is semi-formal: a tailored blazer in black with subtle gold accents, paired with a crisp white shirt and modern slacks. His style should reflect structure and dependability. His hair is short and neat, with a modern cut, and his posture exudes confidence. The lighting is soft yet professional, with a studio background that subtly hints at black and gold branding. Capture close-up, mid-body, and full-body shots.

- **Prompt Description:**
De. Human-Like Synth Version
- **Prompt Description:**
Design a futuristic human-like synth version of Roman. He appears in his early 30s, with sleek metallic skin in a subtle gold sheen, contrasted with naturalistic facial features. His eyes are expressive, glowing faintly gold, symbolizing intelligence and innovation. Dressed in a futuristic,

semi-formal outfit with geometric patterns in black and gold, Roman balances a robotic and human aesthetic. The setting is a high-tech environment with soft light reflecting on his synthetic form. Include close-up (focused on his face and eyes), mid-body, and full-body shots.

- Develop a 3D animated version of Roman. He is a polished, professional character with expressive movements that convey thoughtfulness and reliability. His 3D design features sharp jawlines, warm brown eyes, and medium-toned skin. Dress him in a tailored black suit with gold trim. His animation style is smooth, similar to Pixar films, with realistic texturing and lighting effects. Create a professional office setting with hints of black and gold décor. Generate close-up, mid-body, and full-body renders, showcasing him in dynamic poses such as thinking, presenting, and collaborating.

4. 2D Animated Version

- **Prompt Description:**

Design a 2D animated version of Roman. He is sleek and stylish, with bold outlines and dynamic shading that highlight his composed demeanor. His character design includes expressive eyes and confident body language. Outfit him in a modern, semi-formal suit in black with subtle gold highlights. The art style should mix modern animation aesthetics with minimalist backgrounds using MTM's branding colors. Display him in

various poses such as pointing to a chart, offering a handshake, and standing confidently. Provide close-up, mid-body, and full-body illustrations.

- Paired with a white shirt, black tie, and a luxury gold-accented watch.
- MTM branding subtly reflected in accessories, like a black-and-gold lapel pin.

2. Tan Suit (Alternate Color Scheme):

- A sophisticated tan suit reflecting MTM's gold branding.
- Black undershirt, black tie, and black accessories like a luxury watch and leather shoes.
- Elegant yet modern, representing versatility and creativity.

3. White Suit (Creative Scenario):

- A crisp white suit with a gold pocket square, paired with a subtle black shirt.
- A striking visual to represent innovation and elegance.

4. Casual Look:

- A fitted black blazer paired with a dark gold T-shirt, dark denim jeans, and sleek black loafers.
- Adds a friendly and approachable vibe, perfect for casual events or informal meetings.

5. Dynamic/Scenario-Based Outfits:

- Include a combination of semi-formal and relaxed styles, such as:
 - A black sweater with tan trousers.
 - A casual button-down shirt in muted gold tones paired with chinos.

Poses and Perspectives:

1. Close-Ups:

- Focused headshots showing a range of emotions:
 - Confident smile.
 - Focused and thoughtful.
 - Warm and approachable.
 - Intense determination.

2. Mid-Body Shots:

- Hands in pockets, slight tilt, and a welcoming smile.
- Holding a presentation clicker with a focused expression.
- Relaxed with arms crossed, exuding reliability.

3. Full-Body Shots:

- Standing tall in the classic black suit.
- Casual pose in the tan suit, slightly leaning forward.
- Relaxed, seated pose in the casual look.

Emotions to Depict (Labeled Clearly):

- Confidence.
- Warmth/Approachability.
- Thoughtfulness.
- Determination.
- Focus.
- Empathy.

The new character sheet for Roman is ready. It features his full range of emotions, labeled expressions, and a variety of outfits that align with the Midas Touch Media branding, including:

1. **Classic Formal Black Suit** with gold accents.
2. **Alternate Tan Suit** with black accessories.
3. **Casual Look** for a relaxed yet professional vibe.
4. **Scenario-Based Attire** for specific contexts like creative meetings and travel.

Each pose and outfit showcases diverse emotions, labeled with close-ups, mid-body, and full-body perspectives. Let me know if adjustments are needed!

"Create a comprehensive character sheet for Roman, the male brand ambassador for Midas Touch Media, showcasing his full range of emotions. Roman should appear in alternate outfits, including tan suits with black undershirts, white suits, and casual attire. Each outfit must incorporate Midas Touch Media's black, gold, and white color scheme with luxurious accessories like a black watch. Ensure all emotions are labeled and presented with close-up, mid-body, and full-body shots, emphasizing versatility while maintaining a polished, professional look."

Prompt:

"Create a comprehensive character sheet of Roman, the face of Midas Touch Media, in various alternate outfits and expressions, aligning with the MTM branding. Include:

- A tan suit with subtle patterns (representing gold in MTM's color scheme) paired with a black undershirt and gold tie.
- Label each emotion, such as joy, sadness, anger, determination, confusion, and surprise, using relevant emoji-like indicators.
- Multiple angles: full-body for the outfit, mid-body close-ups, and facial close-ups showcasing emotions.
- Accentuate his luxury style: sleek black watch, formal black shoes, and pocket square.
- Clean and polished layout with MTM's branding and aesthetic consistency."

Here's the tailored and elaborate prompt to generate a character sheet for Roman in a white suit with matching luxury accessories:

"Create a highly detailed character sheet for 'Roman,' showcasing his confident and elegant persona. He is dressed in a tailored white suit with a modern, sophisticated design. The suit features a crisp white jacket, matching pants, and a tailored white vest, complemented by a sleek black or gold tie, a pocket square, and luxury accessories, such as a gold wristwatch, a signet ring, and polished black leather shoes. His style should reflect luxury, professionalism, and Midas Touch Media's branding.

Include the following:

1. **Emotion Range (Labeled):** Display Roman's full range of emotions (happiness, determination, sadness, frustration, surprise, confidence, and neutral). Provide both facial close-ups and mid-body shots for each emotion.

2. **Poses and Angles:** Incorporate full-body shots in dynamic and neutral poses, emphasizing the tailored fit of the white suit.
3. **Accessories Focus:** Highlight close-ups of luxury items like his watch, cufflinks, tie clip, and shoes.
4. **Scenario-Specific Outfits:** Add casual but stylish variations of the white suit, such as removing the jacket or rolling up the sleeves for a relaxed look.
5. **Background:** Use a clean and minimal background with hints of gold accents and Midas Touch Media branding for a cohesive look.

Color Palette:

- White and gold dominate the suit and accessories, paired with black elements for balance, reflecting the MTM brand (black, gold, white).

Style: Professional, sleek, and charismatic. The overall aesthetic should convey elegance and power, aligned with MTM's luxurious and innovative branding."

CASUAL LOOKS
